VISA "EZ CHECK"™ CARD

Today there's only one card you need to make purchases worldwide, **State Bank of Cerro Gordo Visa "EZ CHECK"™ Card**. You can use your card wherever you see the Visa (or Cirrus) symbols. The card can be used instead of cash, checks or credit cards, and it even replaces your ATM card.

Why use the Visa "EZ CHECK"™ Card?

It is a quick and easy way to pay for purchases or services and have them deducted directly from your checking account. You will not have to write a check or show a driver's license. Your "EZ CHECK"™ CARD is accepted like a credit card, plus, you get a receipt for your records.

What are the advantages to using the Card?

- No interest payments. Use your card just like a personal check.
- Receive cash from ATMs worldwide.
- The card is accepted where checks are not, such as a restaurant.
- Shop by phone, as you would with a credit card but the purchase is deducted from your account.
- Safety. No Need to carry checks or cash.
- Detailed transactions help keep your records straight.

VISA "EZ CHECK"™ CARD

The **State Bank of Cerro Gordo's VISA "EZ CHECK"™ Card** will enable you to conveniently conduct routine transactions. With it, you will be able to withdraw cash and get information on your accounts 24 hours a day, seven days a week.

What Could Be Easier?

Accessing an ATM is easy. Once your application is approved, a personal identification number (PIN) will be generated for your ATM card. The PIN is a four digit number known only to you. When you insert your card into an ATM you will be instructed to enter your PIN. You cannot complete your transaction unless your PIN is entered correctly. Joint account holders will have separate cards and separate PINs.

Where Can I Use My Card?

You can use your card at any ATM displaying the NYCE® or Cirrus® symbols. That's over hundreds of thousands of ATMs worldwide.

What Transactions Can I Perform?

- Withdraw cash.
- Make deposits to your accounts (only at selected ATMs).
- Transfer funds between your designated accounts.
- Check your account balances.
